## DECLASS REVIEW BY NIMA / DoD

PAG/M-822-64  
22 July 1964

25X1A MEMORANDUM FOR: Department of State [REDACTED]  
ATTENTION: [REDACTED]  
SUBJECT: DMZ Military Areas  
REFERENCE: Requirement No. State 1-64 (Project No. N-794-64)

25X1D

1. In response to Requirement No. State 1-64 (Project No. N-794-64), a study was made from photography [REDACTED] to locate and identify military activity in the DMZ along the Se Bang Hieng and Rao Thank Rivers.

25X

2. The following military areas were identified:

Area A (located 0.3 nm SW of Lang Moc at 1653N 10648E - UTM coordinates XD 928682). A strongpoint containing 2 barrack-type buildings and 1 small support building, and secured by an irregular trench system.

Area B (located 1.3 nm ENE of Lang Moc at 1654N 10649E - UTM coordinates XD 948699). A possible military/storage area containing 4 possible barracks and 6 possible storage buildings. No security noted.

Area C (located 1.1 nm ENE of Ben Than at 1658N 10657E - UTM coordinates YD 083772). A former village converted into a probable military camp. Trenching was observed throughout the village and immediately to the south. Further trenching was observed on a hilltop 0.3 nm NW of the area.

Area D (located 1.3 nm West of Bo Ho Su at 1654N 10644E - UTM coordinates XD 860688). Probable storage area containing 5 buildings. No security noted.

Area E (located 2.7 nm West of Bo Ho Su at 1654N 10643E - UTM coordinates XD 835689). Strongpoint containing 9 buildings, 3 of which are inside a square trench system.

Area F (located at North edge of Cha Li at 1653N 10634E - UTM coordinates XD 631685). Possible storage area containing one large and numerous small storage-type buildings.

SUBJECT: DMZ Military Areas

Area G (located 0.3 nm WSW of Ban Thán at 1653N 10659E - UTM coordinates YD 108765 to YD 125775). A system of irregular shaped trenches containing numerous AW positions and firing bays.

Area H (located 1.5 nm WSW of Ban Tat at 1656N 10656E - UTM coordinates YD 059748). One building surrounded by probable foxholes. A trench system is located 0.1 nm South of the area.

Area I (located 1.9 nm West of Ban Tat at 1657N 10656E - UTM coordinates YD 051760). Military camp containing 5 buildings and secured by a perimeter trench.

Area J (located 2.0 nm SSW of Ban Tat at 1655N 10656E - UTM coordinates YD 067725). Strongpoint containing 2 buildings and secured by a circular trench.

Area K (located 2.0 nm NE of Vu Con at 1655N 10652E - UTM coordinates XD 993727). Small military camp contains 7 buildings. Trenching was observed immediately South of and 0.1 nm NE of the camp.
